- Public Comments

3

San Diego IRWM Updates Prop 50 Contract Administration

- Prop 50 Grant Contract between SDCWA and DWR was signed on April 7, 2009
- Subcontracts with RWMG governing bodies and local project sponsors are being developed
- Kick-off workshop with local project sponsors will be hosted to discuss contract provisions
- Potential implications of State budget crisis on IRWM program implementation?

4

San Diego IRWM Updates Tri-County FACC

- Tri-County FACC are collaborating on the RAP interview materials
 - Sharing posters and talking points for common interview questions
 - Compiled stories on existing coordination in watershed overlay areas

5

San Diego IRWM Updates
RAC Membership Workgroup

- Current membership policy:
 - Possible removal/replacement after 3 un-excused absences within 12-month period.
 - Members can be excused by notifying RAC chair in advance of absence.
- Additional recommendations:
 - Alternate must be self-selected by each member, with RAC approval.
 - Affirmation statement to be signed by each member.

6

San Diego IRWM Updates
RAC Membership Workgroup

- Minor changes to RAC composition based on IRWM program guidance:
 - Rural/DAC representation (new)
 - Flood control representation (new)
 - Expand at-large academia representation (existing) to academia/coastal representation
- Recommend one or more of above positions also provide knowledge of climate change issues

7

San Diego IRWM Updates
Watershed Planning and Outreach Workgroup

- Workgroup activities:
 - Developing a policy proposal on the role of watershed groups in IRWM planning.
 - Reviewing and contributing to the proposed online project database.
 - Developing a project guidance memo to be distributed to watershed groups, DACs, and other stakeholders for the Prop 84 Call to Action.

8

Agenda

- Introductions
- SDCWA's Drought Allocation
- San Diego IRWM Updates
- **IRWM Online Project Database**
- Regional Stormwater Program and Role of WURMP in Watershed Planning
- Next RAC Meeting
- Public Comments

9

IRWM Online Project Database

- To facilitate the Prop 84 grant cycle, we are developing an online project database
 - Allows project submittal and revision by local sponsors
 - Supports project ranking through automated sorting of projects by designated fields

10

IRWM Online Project Database

- Existing form includes:
 - Project description
 - Project benefits and impacts
 - Affected watershed(s) and groundwater basin(s)
 - Water management strategies
 - Schedule and budget
 - Statewide priorities and program preferences
 - Stakeholder involvement and coordination
 - Project contacts and cooperating partners
 - Environmental compliance and feasibility

11

IRWM Online Project Database

- Proposed additions:
 - Mapping function based on lat/long coordinates
 - Contribution to achieving the IRWM Plan Metrics (+ quantification)
 - Specify if project is within adopted Watershed Management Plan
 - Clarify definition of benefits to DACs
 - Affected impaired water body(ies)
 - Identify project partners and their functional areas of water management

San Diego Regional Water Quality Control Board 12

*Discussion and Feedback on
IRWM Online Project Database*
