- Scoping for IRWM Planning Grant
- Next RAC Meeting
- Public Comments

San Diego IRWM Updates

Prop 50 Contract Administration

- All Local Project Sponsors (LPS) contracts have been distributed for signatures
- Several project amendments have been submitted and are undergoing DWR review
- Approximately \$1.4 million has been invoiced to date
- Third round of invoices and progress reports will be due on July 15th

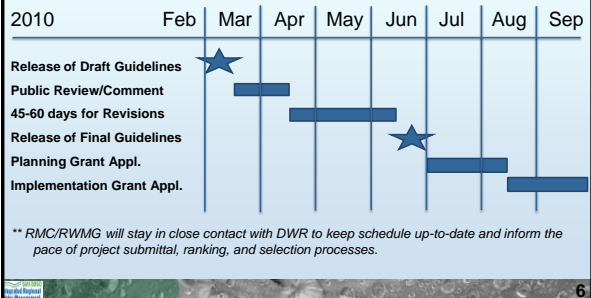

San Diego IRWM Updates

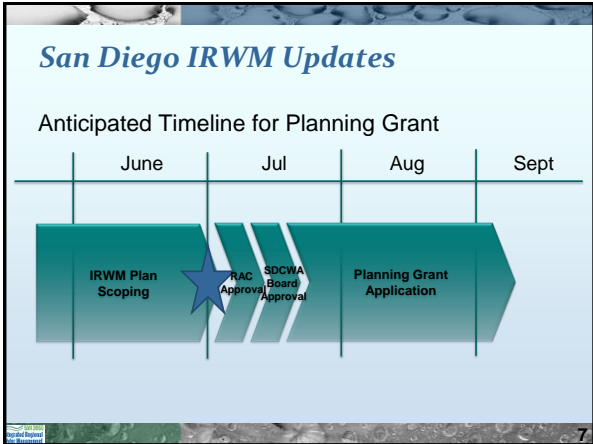

Group Discussion of Water/Land Use Coordination

- Maintain an open dialogue between water agencies and land use authorities during the discretionary review process
- Share water (SB 610) and stormwater (MS4 permit) regulations with developers in advance of project submittals
- Host coordination meetings with the local jurisdictions and utilities
- Consider incorporating Ahwahnee Water Principals into Gen Plans
- Coordinate on design of multi-use flood control projects
- Host an annual Water Resources/Land Use Planning Forum
- IRWM program may initiate preparation and circulation of regional draft ordinances and/or guidelines for use by all local cities
- Regional recycled water planning should be conducted at a sewer-shed scale with land planners and utilities

San Diego IRWM Updates

DWR's Current Prop 84, Round 1 Schedule

San Diego IRWM Updates

Draft Planning Grant PSP

- Develop, update, or improve an IRWM Plan
- Focused, topic-specific planning efforts:
 - salt/nutrient management planning
 - integration of flood management issues

Draft Prop 84 Planning Grant PSP (March 2010)

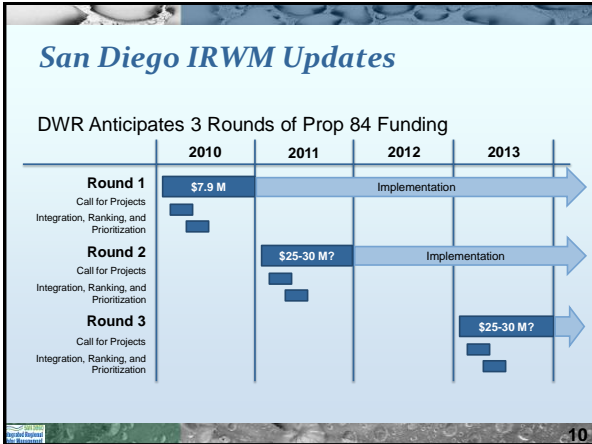

San Diego IRWM Updates

San Diego IRWM Updates

Anticipated Timeline for Implementation Grant

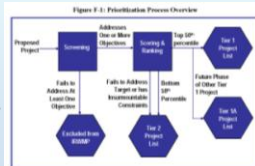

13

San Diego IRWM Updates

Project Ranking into Tiers 1 & 2

- Contribute to regional goals and objectives
- Integrate multiple water management strategies
- Provide multiple benefits
- Benefit the entire region
- Synergize with other projects
- Benefit disadvantaged communities
- Address environmental justice needs
- Build upon other local and regional planning efforts
- Foster partnerships among entities

San Diego IRWM Plan, Section F (October 2007)

14

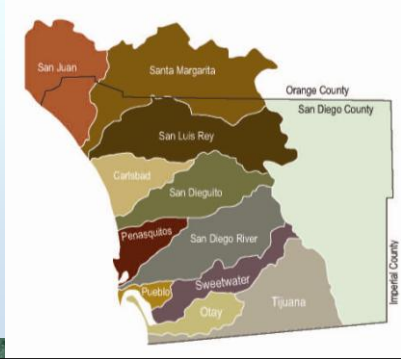

San Diego IRWM Updates

Watershed Group Review

- RAC adopted Watershed Policy in August 2009
- Key components:
 - Encourage watershed groups to collaborate with other water management entities on well-integrated projects
 - Allow watershed groups to review IRWM proposals relating to their watershed and provide recommendations for prioritization

15

San Diego IRWM Updates

16

San Diego IRWM Updates

Watershed Group Review

- Tier 1 project list to be sorted by watershed and distributed for review
 - Comment form will be provided
 - Watershed groups will determine review process
- Recommendations to be returned by July 30th for use by Project Selection Workgroup

17

San Diego IRWM Updates

Project Selection Workgroup

- Water Retailers – Lori Vereker / City of Escondido
 - Alternate: Bill Hunter / Santa Fe Irrigation District
- Water Supply – Kirk Ammerman / City of Chula Vista
 - Alternate: Anne Bamford / Industrial Environmental Association
- Watersheds/Natural Resources – Rob Hutsel / San Diego River Park Foundation and Craig Adams / San Dieguito River Valley Conservancy
 - Alternate: Rob Roy / La Jolla Band of Indians
- At Large Members – Gabriel Solmer / CoastKeeper and Iovanka Todt / Floodplain Management Association
 - Alternate: Linda Flournoy / Planning for Sustainability

18

San Diego IRWM Updates
