

Los Peñasquitos Watershed Sediment TMDL Planning

IRWM Regional Advisory Committee
October 5, 2011

Drew Kleis, Program Manager
Storm Water Division
City of San Diego

think **BLUE**
SAN DIEGO

Need Comprehensive Approach

SAN DIEGO

- **Municipal Permit**
- **Bacteria TMDL**
- **Pending Sediment TMDL**
- **Aging / under-designed storm drain system**

City of San Diego Storm Water Division Strategic Business Plan

- **Integrates**
 - Storm water quality
 - flood control
 - Storm water as a resource (supply)
- **Goals set to Basin Plan, other regulations**

City's Strategic Planning Process Recap & Comments

- **Ecological Objectives may...**
 - More closely represent true watershed goals
 - Facilitate integrated planning efforts
- **Other trends**
